Who are

CARMEL TEACHER TRAINING PARTNERSHIP?

Carmel Teacher Training Partnership (CTTP) is an 'Outstanding' Initial Teacher Training (ITT) Provider. We work with schools across North Yorkshire and the North East of England within the cities and surrounding areas of Newcastle, Durham, Sunderland, Gateshead, Alnwick, Darlington, Bishop Auckland, Middlesbrough and the Tees Valley.

Established in 1999, CTTP have been inspiring the next generation of teachers for many years, successfully training Primary and Secondary teachers in a variety of subject areas. CTTP offer both School Centred Initial Teacher Training (SCITT) and School Direct programmes leading to the award of Qualified Teacher Status with PGCE.

If you are looking for a more practical, work-based experience instead of the traditional university route, this course is for you.

We work with six Lead Schools throughout the North East, and as you will be working in a school, you will be much more likely to get a job at the end of your training. In fact, over 90% of our trainees go on to secure a teaching role.

Our Central Team is based at Carmel College, Darlington which is one of the top performing schools in the country. The latest Ofsted Inspection rated CTTP as 'Outstanding' in all areas.

“Trainees describe training as ‘inspirational’ and ‘amazing’, valuing the contributions from outside speakers and the expertise of school practitioners.”
